Meet the Grad Assistants!

Alex Luu

I'm a 3rd year graduate student in the Counseling and Guidance program, hoping to earn my PPS credential or work in Student Affairs. My role is to help students identify barriers to their academic success and find ways and build skills to overcome those barriers.

Pauline Nguyen

I'm a 3rd year graduate student in the Counseling & Guidance program pursuing a career as a K-12 or Higher Education school counselor. In my role with the AEC, I offer guidance and strategies to help students manage stress, stay organized, and achieve balance throughout their college journey.
