A. Discussion Item: Student Engagement and Representation Plan Presentation

I want to create an environment where students can share their concerns and grievances about SJSU and their experiences as a student. By so doing I want students to leave feeling duly represented and heard.

B. Discussion Item: Assemblymember Ash Kalra visit Planning

We're still in the planning stage of this event. I'm working with Assemblymember Ash Kalra's office to confirm a concrete date for the event in October. I'm also looping in Community Government Relations for logistics and to make sure the event is successful. For now, I am working on the vision for the event itself.
