

Meeting #3: AI For Writing Assistance

Reflection and Sharing Activity

Whole group discussion on using AI to generate ideas and outline your piece.

AI Writer Toolbox: AI for Writing

Tour the relevant toolbox section and learn about prompt engineering strategies.

Activity #1: Prompt-Engineering Mini Workshop

Weak and strong prompts.

Activity #2: Using AI at the Paragraph-Level

Using the prompt engineering strategies to help you with structure and development.

Closing Thoughts, Reflections, and/or Concerns

Now that you're really using AI.

Homework

Complete a draft of your paper. And upload a copy of it to the class Canvas site to share.
